“

WORKSPACE & CONCENTRATION

”

We offer a wide selection of desk & table solutions for ergonomics.

Box

POD & BOOTHS

When you need to work with maximum focus and minimal distraction, just get into a BOX. It's a compact workspace with huge benefits. Each BOX is highly ergonomic and functional, packed with all the technological goodness you need to stay connected to, or away from, the outside world—anytime. Ideal for uninterrupted work, holding discussions, making important calls, and running teleconferences.

I-BOX

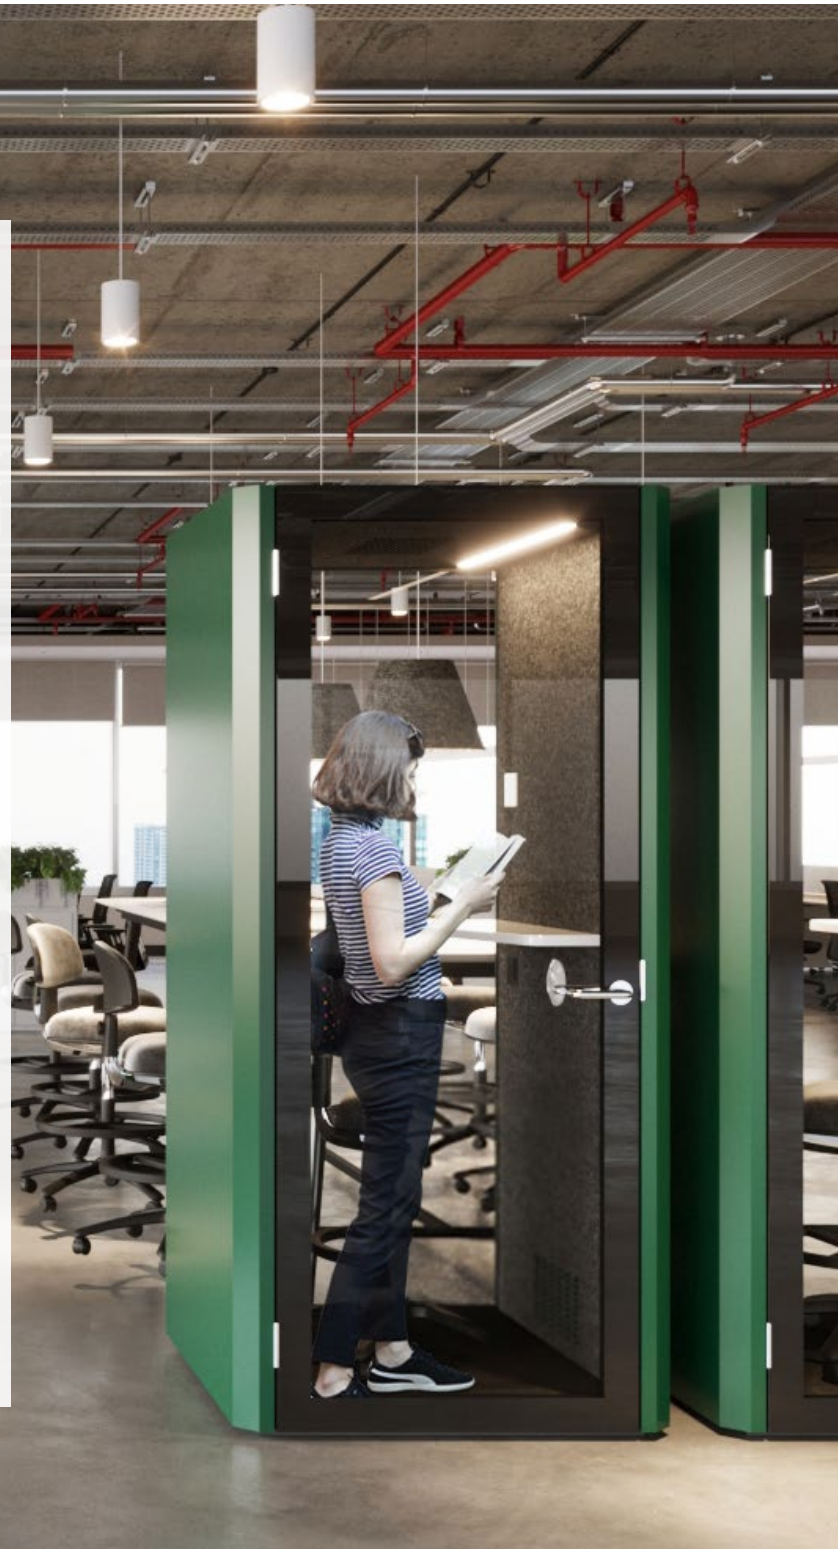

👤 Up to one person

POD & BOOTHS

I-BOX is designed to fit one person. When you need to work with maximum focus and minimal distraction, just get into a I-BOX

FIXED AND FOCUSED

The I-BOX is a single person private space suitable for uninterrupted work and making important calls. This quiet and comfortable workspace can increase employee productivity, especially in an open-concept office.

I-BOX

W1010 D1010 H2170

WEIGHT: 325.2 kg (steel) / 308.1 kg (wooden)

FOCUS-BOX

 Up to one person

POD & BOOTHS

FOCUS-BOX is designed to work in absolute focus and privacy, the FOCUS-BOX is perfect to seats one person comfortably.

CALM AND CONNECTED

When you need to work in absolute focus and privacy, the FOCUS-BOX is perfect. It seats one person comfortably, and is soundproofed for absolute quiet, making it also perfect for phone and video calls. With its glass walls all around to allow daylight into the booth, it creates a great and COSY working environment.

Focus-BOX

W1500 D1200 H2170

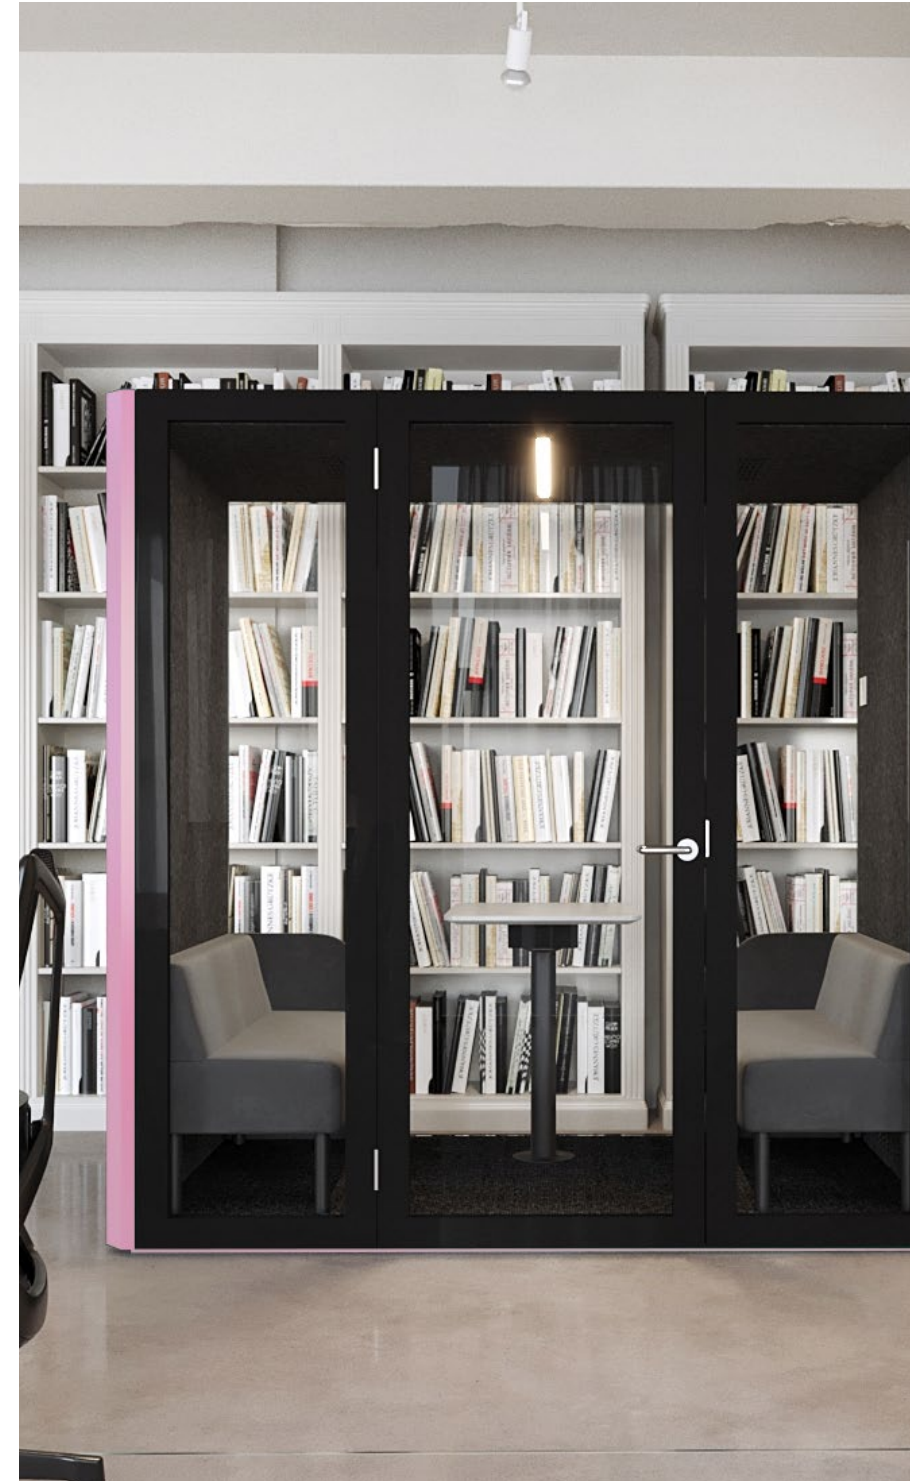

WEIGHT: 488.2 kg (steel) / 467 kg (wooden)

We-BOX

W2200 D1200 H2170

WEIGHT: 630.4 kg (steel) 609.2 kg (wooden)
with SOFA 706.4 kg (steel) 685.2 kg (wooden)

WE-BOX

Up to
four people

POD & BOOTHS

WE-BOX is designed to fit two to four people without sacrificing the compact size or usability of the WE-BOX.

COSY COLLABORATIONS

WE-BOX is perfect for holding meetings, brainstorming sessions, one-on-one conversations, as well as a place to rest and rejuvenate away from the disturbance of an open space. It's a comfortable and well-ventilated space with great acoustic properties; resulting in increased employees efficiency and productivity.

Chat-BOX

W2200 D1200 H2170

WEIGHT: 641.41 kg (steel) / 620.2 kg (wooden)

CHAT-BOX

Up to two people

POD & BOOTHS

CHAT-BOX is designed for functional working to seat up to two people comfortably. It is ideal for co-working tasks.

DISTRACTION-FREE DISCUSSION

The CHAT-BOX is a great functional working space designed to seat up to two people comfortably. It is ideal for co-working tasks like small discussions, interviews, brainstorming, phone calls, and video conferences; all this with minimal distractions.
