Chair that makes you continue
thinking in your own way

U55

NEW CREATION FOR BETTER SPACE VALUE

The value of bestuhl's products based on its technology and know-how is realized when it expresses the beauty of spaces and delivers comfort to users.

Please feel free to experience the beautiful and comfortable spaces created by bestuhl's varied designs, colors and textures.

QUALITY DESIGN CRAFTSMANSHIP GLOBAL STANDARD

The extensive experience of producing hidden parts and the pursuit of high quality based on technology and systems are the foundation of bestuhl's pride for its product quality. The design made by bestuhl reveals itself as a medium of closely communicating with the essence of spaces and a story that anyone can experience, appreciate and share beyond its visual beauty.

With the artisan spirit for researching and producing core parts, bestuhl actively develops products and maintains product quality to provide users with a great experience of using its products. Also, by meeting the global standards - Greenguard, BIFMA, EN 1335 certifications, bestuhl is deemed competent to manufacture products for global markets.

U55

Pleasant designs and colors make different spaces special.

The mesh backrest with outstanding breathability makes your space more sophisticated and pleasant. This light chair is easy to keep, enabling you to use it easily anywhere.

U55

MULTI-USE

**CURVED BACKREST**

Its curved design supports your sitting position stably regardless of body shape and frequent motions. The breathable mesh backrest provides a pleasant environment when you sit on the chair.

VERTICAL STACKING

Vertical stacking lets you move and keep the chair easily. You can keep the chairs in a small space by stacking vertically for efficient space management.

DETACHABLE SEAT COVER

You can easily replace this detachable seat cover with a new one. Seat covers are provided in 6 different colors. Choose whatever you want, considering your space.

BASE OPTIONS

Base options include ball casters that prevent noise and floor scratches and stable gliders with noise-free felt. You can choose one of the base options as you want.

FABRIC

I like to spend time on a bestuhl chair.
While sitting comfortably, I realize the possibility ideas
and the possibility of their realization.
I am immersed in the purpose of achieving successful results.
Anytime you work for bestuhl, you are surrounded by this ethic
Again, once more, I will write their greatest story.
