# Built for Focus, Made to Move

Training tables are designed to support active learning, quick reconfiguration, and collaboration. Whether in seminars, workshops, or classrooms, they create flexible, functional spaces for learners, trainers, and teams to stay engaged and productive.

## LOAF – Designed to Adapt. Built to Simplify.

The LOAF Series redefines training desks with soft-rounded edges, hidden storage, and stackable design. Whether used solo, face-to-face, or with add-ons, it adapts seamlessly to modern learning and compact spaces.
