

LECA

Rockworth

LECA is a versatile training chair designed for the evolving ways people learn and work together. Its name represents four essential experiences: ***Learn, Engage, Collaborate, and Adapt.*** It supports focused training sessions, group discussions, and interactive workshops. with a flexible, mobile, and space efficient design, LECA helps every space adapt easily to changing activities.

MADE TO MOVE

LECA MOVES EASILY

Smooth-rolling casters make LECA easy to move, while its stackable design saves space when not in use, allowing workspaces to be rearranged quickly for meetings, workshops, and team activities.

Stackable design
stacks **up to 4 units**

A durable aluminum frame provides stable support for the foldable tablet, which aligns with the armrest height to reduce shoulder strain, saves space when not in use, and supports loads of up to 20 kg.

SUSTAINABILITY

Rockworth is committed to operating with integrity and responsibility in everything we do. Our value chain reflects our deep dedication to people and the planet, guiding our actions every day. Sustainability is not just a goal—it is embedded in our mindset, shaping the way we design, produce, and deliver solutions that create a positive impact on businesses, communities, and the environment.

Safe materials

The materials and raw components used in our production processes meet stringent quality standards. They are certified to ensure they pose no risk to human health or the environment.

Waste reduction

We actively minimize raw material waste throughout the design and production stages. Examples include precision computer-cut fabrics and leathers, as well as sourcing materials in clearly defined dimensions to optimize resource usage.

Energy efficiency

Reducing electricity consumption is a key priority for our company. We implement technical and organizational improvements and provide continuous training for employees to achieve this goal.

Waste segregation

For many years, we have successfully operated a structured waste segregation program, transferring sorted waste to authorized recycling partners. We actively encourage and educate our employees and the local community on effective waste segregation practices.

Environmental protection

We proactively identify and monitor potential environmental risks across all our operations. Our teams remain vigilant, prepared to respond effectively and responsibly whenever environmental threats arise.
